

August 16, 1926.

Mr. Luther K. Bell,
General Traffic Manager,
National Air Transport, Inc.,
310 South Michigan Blvd.,
Chicago, Ill.

Dear Mr. Bell:

Your letter of the 12th, received, expressing your thanks for the editorials which have appeared in the Star-Telegram and Record-Telegram in connection with the airmail service. We are also carrying another one today.

It has been our idea to promote the airmail as much as possible, realizing that your company are pioneers in this particular method of transportation for our part of the country. It takes courage, money and patience and I am sure you have all three of these necessary requisites. You can count on the Star-Telegram at all times to co-operate with you in every consistent way possible.

Please give my best regards to Col. Henderson.

Sincerely,

AGC.KD
