Dear Mr. Carter:

You are cordially invited to attend, with your wife or a guest, as a guest of honor, the Air Force Dinner-dance to be held in the Crystal Ballroom of the Baker Hotel in Dallas on Wednesday, August 1, 1945, in celebration of the thirty-eighth anniversary of the United States Army Air Forces.

Cocktails will be served in the Texas Room of the Baker Hotel promptly at 7:00 PM.

It was a source of great pleasure to me and to all members of the Texas Wing, Civil Air Patrol, to learn of your association, as a charter member, with the Air Power League. Public recognition of the vital importance of "Air Power" in the promotion of national security and permanent world peace is certainly essential at this time. With this in mind, I know I can assure you of the complete support of our organization on any project with which we can assist you.

Cordially,

D. Harold Byrd
