Dear Mr. Carter:

As one of the founders of the League, your membership is now renewable. As you know, the three memberships in the League are:

Patron	Not less than Two hundred fifty Dollars
Contributor	One hundred Dollars
National	Fifty Dollars.

You have your choice of which one you wish to maintain, continuing to be listed of course as a charter member.

We are trying to broaden our membership, not only for financial reasons but in order that we may have many more influential and patriotic supporters. Our job is a tough one, as you know from personal experience. Are there any among your associates or friends whom you might induce to take a membership in any of the three categories of the League?

Sincerely,

Howard Angus
Executive
Vice President
