Dear Mr. Carter:

I am indeed sorry that the meeting of the Board of Directors of The Air Power League had to be postponed because of the strike situations that have been bedeviling some of our directors, including myself.

It is possible we can have the meeting within the next few weeks, but I do not want to wait until that time to tell you how much we all appreciate your truly magnificent contribution of \$10,000 to the League. Contributions such as yours give substantial indication of great personal interest in the future of air power, which should and will spur the League to provide a structure and program that will be of material assistance in insuring the continuance of air power through the years.

Sincerely yours,

A cursive handwritten signature in dark ink, appearing to read 'C. E. Wilson'.
