Dear Mr. Carter:

As Executive Secretary of the Air Power Clubs of Massachusetts, I am determined to do a good job here. I am sold on the Air Power League, and the need for such an organization in Massachusetts is obvious.

However, I do need your help. While the literature issued by the Air Power League is good, it lacks the punch that a testimonial from a well-known man, such as yourself, can give. That's why I would appreciate it deeply if you would write me a few concrete sentences outlining the reasons why you joined the Air Power League. I am confident that the very reasons you have will be the reasons that will influence others.

I am familiar with the high-minded civic reasons for belonging to the Air Power League, but I am interested in the more personal reasons that will convince returning Air Force officers and men that it will be worthwhile for them to spend their hard-earned and important dollars for this good cause.

Very truly yours,

A handwritten signature in cursive script that reads "Philip J. Neary".
