

August 8, 1942.

Honorable Tom Connally,
U. S. Senator,
Washington, D. C.

Dear Tom:

This will introduce to you Mr. C. L. Smith of Fort Worth, who is a brother of the late Carl Smith, Sheriff of Tarrant County for eight years.

I have known C. L. Smith for a number of years and he has worked for himself in the oil business - refining, drilling, producing and trucking. Although Mr. Smith has two sons in the armed service he is extremely anxious to offer his services to the Army for any capacity at home or abroad the Government would see fit to call upon him to do.

Because of Mr. Smith's age he would probably have to be commissioned and taken into some specialty service. His general experience, in my estimation, would qualify him for some service in the Army and I hope you will lend your support in helping Mr. Smith to see the proper authorities while he is in Washington.

Any courtesy extended Mr. Smith shall be appreciated.

With best regards, I remain

Sincerely,
