UNITED STATES SENATE  
Committee On Foreign Relations

Dear Mr. Stone:

I want to tell you how very pleased I am with the speaking life-like portrait that you have just painted of me. What must have pleased you more is the fact that my wife was so happy with the results.

I do so appreciate the fact that you made it possible for me to give you more time by painting the portrait right in my office.

Thanking you for your effort and successful results, I remain,

Sincerely,

(Signed) Tom Connally

Mr. Seymour Stone,  
Fort Worth, Texas.
