Fort Worth, T e x a s.

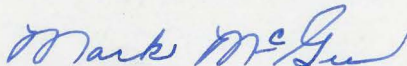

Dear Mr. Carter:

I am enclosing you copies of letters, which I have addressed to Senator Connally and Congressman Lanham, in regard to the Erwin Manufacturing Company matter, about which Mr. Erwin and I spoke to you some days ago.

Mr. Erwin is leaving within the next day or two for Washington. It will be appreciated if you will write to Senator Connally and Congressman Lanham urging them to assist Mr. Erwin to the extent of appearing with him before the proper persons of the War Production Board. He is seeking priorities. He will explain to them the nature of the application.

For your information this Company is to manufacture cotton and burlap textile bags. The plant is badly needed in Fort Worth, as you know.

Yours very sincerely,

Mark McGee
