Senator Tom Connally,
U. S. Senate,
Washington, D.C.

Dear Tom:

Mrs. Louise Raymond and her daughter, Jean, are going to be in Washington the early part of April for their first trip. Both of them are very anxious to have the privilege of seeing the United States Senate, so if you could get them a pass for the Gallery, I would appreciate it very much.

They are very lovely people and any courtesy extended them will be appreciated.

Sincerely,
