

TOM CONNALLY, TEXAS
CHAIRMAN

United States Senate

COMMITTEE ON FOREIGN RELATIONS

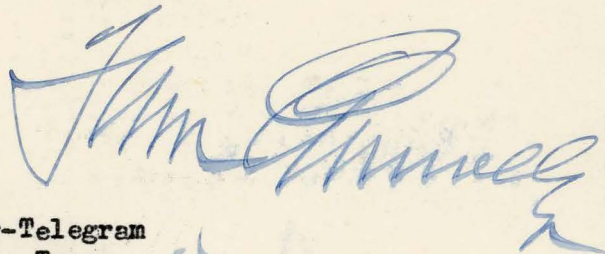

July 14, 1945.

Dear Amon:

I want to drop you a few lines to tell you how happy I am that your son is safe and that you were united to him in Europe. He certainly had an awful time, but now that it is behind him, he will always have a recollection of the patriotic service which he rendered to his country. Please convey to him my very genuine and sincere congratulations and sympathy. It must be grand to know that he is secure again. I know your heart is filled with pride and happiness.

I should have written you sooner, but I was so tied up at San Francisco that I had no time whatever for correspondence.

Sincerely,

Honorable Amon G. Carter
