Honorable Allan Shivers
Governor of Texas
Austin, Texas

Dear Governor Shivers:

Some time ago you were kind enough to write a personal letter to all of the chapters of the Air Reserve Association inviting them to attend their national convention which will be held here in Fort Worth on September 28, 29 and 30. We are deeply grateful to you for doing this and I would have thanked you for doing so some time ago but have been waiting for a clarification from the National Headquarters of the program of the convention.

On behalf of our Fort Worth Chapter, and also on behalf of the National Association, I am extending an invitation to you to address the convention on Saturday night, September 30. The meeting will be held in Will Rogers Auditorium and is the final event of the convention. Attendance will not be limited to those attending the convention, but it will be open to the public and we are of course hopeful of having a good crowd. We hope also to have General Samuel E. Anderson, the new Commander of the Eighth Air Force, address that meeting, our thought being that you and he will be the best possible program which we could have.

I realize that we are extending this invitation much later than we should have, but the circumstances causing our delay were unavoidable and we sincerely hope that it will be possible for you to give us a favorable answer.

While there are several events on our program which are still tentative, I am enclosing a copy of it as it now stands simply for your information.

Assuring you of our appreciation and thanks, I am

Sincerely yours,

Brandon Stone

Memo to Mr. Carter:

I wrote to Governor Shivers yesterday and extended him an invitation to address the Air Reserve Association convention at its Rally in Will Rogers Auditorium Saturday evening, September 30. A telephone call from you to the Governor urging him to accept our invitation would probably do the job - unless he has some commitment from which he can not be excused.

I have to call our Washington office as soon as we can hear whether the Governor will come and will appreciate it very much if Mrs. Deakins will call me after you have talked to him.
