Mr. Amon Carter
Fort Worth, Texas

Dear Mr. Carter:

It was, indeed, a pleasure to be with you in Fort Worth. I want to express my appreciation for the very grand time you made possible for the members and guests of the C.A.A. Airport Advisory Committee, and myself.

Although I landed in Lake Worth many times during the war, my recent visit was the first time I had the pleasure of visiting your fair city. There are at least two "firsts" I shall always remember. One, my first Texan Stetson, second, my first rodeo.

On your next trip to Washington I certainly hope it will be possible for me to meet with you and Mrs. Carter again.

Cordially,

Halford G. Davis
