Dear Mr. Carter:

I wish to again thank you for the gracious hospitality that I experienced when in Fort Worth with the members of the Airports Advisory Committee and Mr. Rentzel and Mr. O'Connell recently. I am daily wearing my Shady Oak Farm Stetson and enjoy it very much.

I also wish to thank you for the picture of the group. I am sorry that you were not in the front row where I could point you out to my friends.

Thanks again for your kindness.

Sincerely yours,

Wm. L. Anderson
Executive Director
