Mr. Walter E. Betsworth, Manager
Waterloo Municipal Airport
P. O. Box 718
Waterloo, Iowa

Dear Mr. Betsworth:

I appreciated your letter of June 16, and I am looking forward to having you and Mrs. Betsworth with us in October.

We shall see that you have an opportunity to demonstrate your proclivities. Seriously, the meeting in Miami was most constructive and I don't recall having enjoyed anything quite so much.

I am working tonight preparatory to making a Pan-American Clipper trip to Buenos Aires and Rio de Janeiro, so again I wish to thank you, and with best wishes,

Sincerely,

AOC:mm
