Dear Mr. Carter:

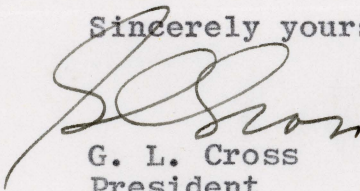

I have been informed that the National Airport Advisory Committee plans to meet in Fort Worth on October 16, 1950. This follows the 1950 Conference on Airport Management and Operations which will be held at the University of Oklahoma in Norman, October 12 and 13.

The meeting at Norman is unique in that it is probably the only national meeting where the agenda closely parallels the purposes of the National Airport Advisory Committee. We most cordially invite you to attend the 1950 conference at Norman.

We have been assured by the CAA that there will be enough cars at Norman so that if you attend the conference here, there will be transportation available to Fort Worth for your meeting there.

We are looking forward to hearing from you.

Sincerely yours,

G. L. Cross
President
