Mr. Amon G. Carter
Fort Worth, Texas

Dear Mr. Carter:

Reference is made to letter of November 20 from your secretary, indicating you had requested a hat be sent me and explaining your regret at the oversight in my not getting one during my attendance of the Airports Advisory Committee Meeting in Fort Worth.

Your kindness in sending the hat, which has been received, is greatly appreciated. I know I shall certainly enjoy wearing it. Thank you very much.

Very truly yours,

Richard T. Puckey
Chief, Airports Division
