June 25, 1951

Mr. Amon G. Carter, President
Fort Worth Star Telegram
Fort Worth, Texas

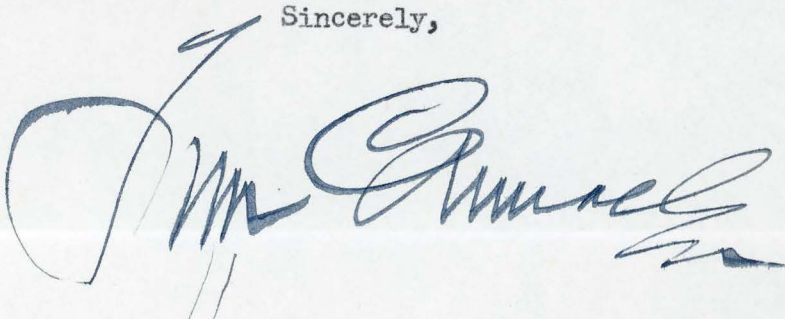

Dear Amon:

This refers to your telegram of June 21 in acknowledgment of mine respecting the proposed extension of Carswell Air Force Base and the Fort Worth Quartermaster Depot. You suggest that I give my support to this program.

Of course I shall be glad to do everything I can to secure approval of the program. The proposals are now pending before the Armed Services Committee and I understand that the committee is expected to act promptly on the request. After the authorization has been given, it will be necessary for the Congress to approve the necessary appropriations to implement the projects.

With personal good wishes, I am

Sincerely,

TC/Pr
