

June 26, 1951.

Mr. A. S. E. Carr, Secretary
United States Senate
Committee on Foreign Relations
Washington, D. C.

Dear Mr. Carr:

Mr. Carter received Senator
Connally's telegram of June 13, which he appre-
ciated very much, so I am sure there must have
been a misunderstanding in some way in a rumor
you received that Mr. Carter had not received
a message from Senator Connally.

Thanking you,

Yours very truly,

Secretary to J. G. Carter
