Mr. A. M. Hall  
c/o Fort Worth Club  
Fort Worth, Texas

Dear Sir:

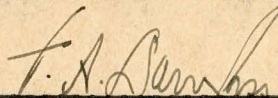

In connection with the proposed plant for the Consolidated Aircraft Corporation at Lake Worth it occurs to me that your organization may require offices, though possibly only temporarily, in down town Fort Worth.

The Neil P. Anderson Building, located at the corner of 7th and Lamar Streets has available office space which we would be pleased to show you should you require offices.

Yours very truly,

ANDERSON BERNEY BUILDING COMPANY
