

ADDRESS REPLY TO  
DISTRICT ENGINEER

WAR DEPARTMENT  
UNITED STATES ENGINEER OFFICE  
GALVESTON, TEXAS

January 8, 1941.

Mr. Amon G. Carter,  
Fort Worth Club,  
Fort Worth, Texas.

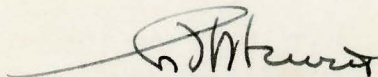

My dear Mr. Carter:

I want to thank you for the delightful hospitality which I received at the Fort Worth Club during my conference on the Consolidated Air Corps development. I do not think that I have ever been more royally entertained, and want you to know that I appreciated it more than I can say. I was particularly flattered with being allowed to sign your guest book along with the very distinguished guests whose names appeared before my own.

You may rest assured that I shall be a loyal citizen of the West from now on. The hat is most becoming, and my wife is particularly delighted with it. In fact, I think she would have ~~been~~<sup>me</sup> sleeping in it, were it not for damaging the hat.

I am in hopes that I may be able to return to Fort Worth before any great time elapses, and until then, my best wishes for all success in your project.

Sincerely yours,

L. H. Hewitt,  
Major, Corps of Engineers, U.S.A.
