Fort Worth Star Telegram
Fort Worth, Texas

Dear Bush:

I just received the tear sheet from the Fort Worth Star Telegram with full page story and mat devoted to your new airplane factory.

Congratulations not only to Fort Worth, but to Texas!

We're mighty glad to see Fort Worth share with Dallas and many other places in Texas the great benefits which undoubtedly will accrue to various communities and our state as a whole from these war-defense industries.

Sincerely,

TRACY - LOCKE - DAWSON, Inc.
