

WAR DEPARTMENT  
HEADQUARTERS OF THE ARMY AIR FORCES  
WASHINGTON

February 9, 1946

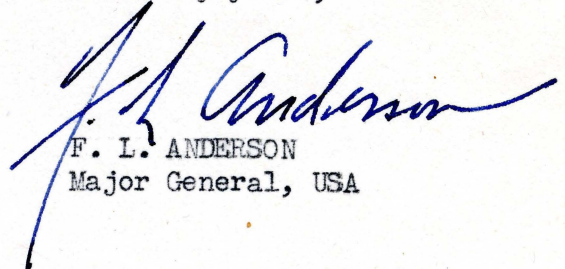

Mr. W. H. Wright  
Fort Worth Club  
Fort Worth, Texas

Dear Mr. Wright:

I would like to thank you for both the Army Air Forces and myself for the hospitality that was given us at Fort Worth.

It was an incentive to us all to find the citizens of Fort Worth so interested in the development of Air Power and in its position in our military structure. Without the active interest and support of persons such as yourself we do not believe that the people of our nation can be kept abreast of modern developments and the urgency for providing the necessary military readiness at the least cost.

Sincerely yours,

  
F. L. ANDERSON  
Major General, USA
