Dear Amon:

Just received the copies of the "Fort Worth Star-Telegram" for March 2nd and 3rd, carrying the B-50 story. Thanks very much for your thoughtfulness in sending them to me.

Am delighted to have this evidence of your continued interest in aviation and especially its development here in America. You and your staff are to be congratulated upon the excellent picture and reportorial coverage given to this historical event.

Sincere best.

As ever,

J. H. DOOLITTLE
