FORT WORTH STAR-TELEGRAM

My dear Mr. Carter:

I would indeed be remiss if one of the first things I didn't do when I returned to Wichita were to write you a note of gratitude for your thoughtfulness and kindness during the Lucky Lady festivities Thursday evening and Friday morning.

Your reputation as a host has spread far and wide. I had heard of it from many quarters. It was a thrill to experience it first hand.

Whenever you are in or near Wichita, I hope you will keep me in mind and permit me in some way to reciprocate your many kindnesses. With citizens like you it is no wonder Fort Worth forges forward and means so much to Texas.

With the best of personal regards, I am

Sincerely and appreciatively yours,

JESchaefer:vl
