Dear Mr. Carter

Words cannot express our great gratitude to you for the two wonderful days you so graciously entertained us in Fort North. Those days will always be a high light in our lives. Not only will we remember the presentation of the plaque at the field, that thrilling ride from the field to the city,

the cocktail party, that
memorable dinner, our
stay at Hotel Texas as
guests but we will
always cherish the fine
wallet, the gold medal,
the leather bound scroll,
and the fine hat.

We hope to live in
Fort Worth some day.

Thanks to you for
your generosity and
kindnesses to us.
You are truly wonderful.

Sincerely

Capt. and Mrs. Glenn E. Tucker
