

Thank You

Tucson, Arizona  
April 22, '49.

Dear Mr. Carter -

After the rough flight home from Fort Worth I insist on my husband being the flier in the family.

To say "thank you" for the wonderful hospitality

you shamed us as  
your guests would be  
putting it mildly.

It's not often Bob and I  
get away from our three  
daughters - eleven years  
June 5<sup>th</sup> to be exact. Our  
sincere appreciation for  
the two days in Fort  
North.

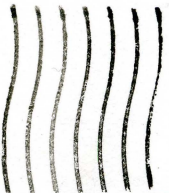

We are sorry, we didn't  
get to see more of your  
city.

The joy of the "giver" is as  
great as the "receivers".

Very sincerely,  
Sgt & Mrs. Robert G. Davis
