Dear Amon:

I am deeply grateful to you and your people for sending to me, with the menu of the dinner honoring the air force crew members, the issues of THE STAR-TELEGRAM for March 2 and March 3.

I shall pass it on immediately to my editorial associates in the hope and expectation that they may be able to find space for an adequate story in this week's issue of the EDITOR & PUBLISHER, although I must confess that it reaches us very late -- Wednesday afternoon -- when the forms are pretty well made up.

It was certainly a fine testimonial of esteem to these courageous pioneers and THE STAR-TELEGRAM's coverage was superb.

Cordially yours,

James Wright Brown
