Dear Amon:

Thank you very much for sending to me the program of the dinner honoring the Air Force crew members for the first non-stop flight around the world, together with copies of the issues of the Star-Telegram covering that historic event.

I appreciate your thinking of me in this connection and I have read the accounts of the flight. There is no doubt that the reverberations of this accomplishment were felt throughout the world, and particularly in the Kremlin. It is the kind of thing that those people understand.

With my very best regards,

Sincerely yours,

Harold L. George
Lt. Gen. USA (Ret.)
