NEW YORK 15, N. Y.

May 5, 1949

Dear Amon:

It didn't take me long to guess the source of the copies of the "Fort Worth Star-Telegram" and the program of the honorary dinner. As I looked them over my old biblical training asserted itself in noting that Fort Worth appears to be the Alpha and Omega of air travel--the beginning and the ending. My congratulations on this great event.

With best regards,

Sincerely yours,

Mr. Amon G. Carter
