

GENERAL OF THE AIR FORCE H. H. ARNOLD
HAMILTON, CALIFORNIA

6 May 1949

IN REPLY REFER TO:

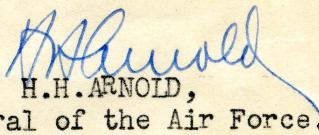

Dear Amon:

Many, many thanks
for for the news sheets, and
for the dinner menu honoring
Lucky Lady II. They are grand;
and each is a high compliment
to you, and to the other air-
minded citizens of Ft. Worth
back of them.

I doubt whether any
development has made swifter
and more spectacular progress
than aviation, in the 25 years
that have elapsed since we
made the world's first air re-
fueling experiments, and our
remarkable first 'round-the-
world flight; nor whether any-
thing could have emphasized
this half so well, as the re-
markable achievement of Lucky
Lady II.

We should love to see
you if you ever get up this way.
Hope all is well with you.

Sincerely yours,

H.H. ARNOLD,
General of the Air Force.

Mr. Amon G. Carter,
PO Box 1036,
Ft. Worth, Texas.
