Mr. Amon G. Carter
Fort Worth
Texas

Dear Amon:

Thanks for sending me a copy of the program for the dinner you gave the crew members of Lucky Lady II. The menu was most attractively gotten up, and I see behind all of it your fine Italian hand.

Also read the accounts of the flight in your Star-Telegram.

I was sorry not to have seen more of Mrs. Carter and you when you were here for the publishers' meeting.

With best greetings,

Sincerely,
