Dear Amon:

Thank you very much for sending me the handsome program of your dinner honoring the boys who made the first non-stop flight around the world, and the clippings from the newspapers recording the story of that historic event. I wish that I might have had the pleasure of joining with you in paying tribute to these real pioneers of the air.

It is always good to hear from you, but it would be even better if I could have a visit with you. I know that you make frequent business trips to the East, and I hope that sometime it will be convenient for you to come by way of Pittsburgh and drop off for a visit with me.

With kindest personal regards and all good wishes, I am

Sincerely,

mike
