

Jim Kelly enrolled in T.A.T. Flying School on May 20, 1928.

He took his ~~xx~~ written examination for transport pilot's license, the highest issued by the Department of Commerce, on April 29, 1929.

He took the actual flying examination on May 6, 1929.

At that time he was granted a letter of authority ~~showing~~

showing that he carried this rating. The actual license

arrived several days ago. Exact date not known.

(Came while ship
in air about
May 25.)
