Mr. Clyde G. Sharrer
Director of Aviation
Department of Aviation
Midland, Texas

Dear Mr. Sharrer:

Your letter of March 21, enclosing a copy of an address you are to deliver in Kansas City, Missouri today on "Aviation in Texas," has been received.

Thank you very much for sending Mr. Carter this data and information, and it shall be brought to his attention as soon as he returns to the office. As you probably know, he has been ordered by his physicians to take a prolonged rest. As soon as he feels equal to it, your "History of Aviation in Texas" will be turned over to him.

Yours very truly,

Secretary to A. G. Carter
