Dear Mr. Amon:

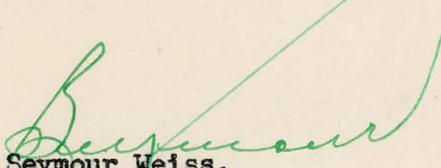

I have just read that the great airport in Fort Worth is to be known as the "Amon Carter Airport".

This is a well deserved honor, on which I congratulate you. I only wish that my great city had an Amon Carter.

I hope that you are enjoying good health, Mr. Amon, and that I shall have the good fortune of seeing you soon. In the meantime, if I can serve you in any capacity, please do not hesitate to call on me.

My kindest personal regards.

Sincerely,

Seymour Weiss.
