Dear Mayor Deen:

I regret sincerely that I am going to have to be in West Virginia next Monday, July 10th, and that I cannot be with you and accept your invitation of yesterday to be there for the ceremonies at the ground-breaking for the construction of the Amon G. Carter Terminal Building at the Greater Fort Worth International Airport. It is with sincere regret that I have to decline the invitation to be there.

No one loves Amon Carter more than I do, and it's always a pleasure to be with him, near him, around him, or hear from him or hear about him. He is always up and doing, and my greatest regards and commendation for your program.

Best wishes,

JSB:a
