Dear Amon:

May I add my congratulations to the thousands of others I know you will be receiving Monday when the great new Amon Carter Airport is dedicated between Fort Worth and Dallas? That is certainly an honor that comes to few men.

Also, my congratulations on your election as president of the Fort Worth Club for the thirty-first consecutive year.

It was a great pleasure being with you on the trip to South America and I'll be looking forward to seeing you again.

Sincerely,

Lee Hills
