CITY MANAGER

Dr. Mr. Carter:

Just a line to let you know how happy I am that the City Council of Fort Worth officially named the new airport of Fort Worth the "Amon G. Carter Field."

You have received an honor here that you richly deserve - no one has even approached your accomplishments in the advancement of aviation, not only in Fort Worth but in the entire Southwest. I am very happy to have had a small part along with you in some of the undertakings in recent years.

With best wishes and kindest personal regards, I am

Sincerely,

W. O. JONES
