Dear Mr. America:

Only today I heard about the Amon G. Carter International Airfield -- and that it is just half way between. Splendid! For a long time I have been going to come down and visit you -- now I know I will have a place to land.

Just before I went away on the last trip I was going to write you again about the Annual Report of the Fort Worth Club, which I always note with interest and read with pleasure. That is another thing they have got in Fort Worth the like of which isn't any place else.

When will you be up here again?

With affectionate best wishes always,

I am

Sincerely yours,
