Dear Amon:

I have just seen the story about the new Amon Carter Airfield in Editor and Publisher, and I want to extend hearty congratulations to West Texas from West New York!

It was great being with you and getting to know you a little better. I hope you have had an opportunity to look at The Rochester Times-Union, specifically the stories about our trip, because you appear in one of the pictures; the one showing Juan Peron and the pistol lighters you presented to him.

All the best, Amon, and please give my best wishes also to Mrs. Carter.

Sincerely,

Paul
