Dear Mr. Carter,

I write for my Husband to thank you most warmly for the beautiful Smoked Turkey and Ham which have arrived to-day. It is kind of you to send us this delightful and welcome present. I will certainly see that the instructions attached are followed when these delicacies are served..

We are both sorry to hear that your son is a Prisoner of war. We hope that you continue to have news of him, and that he is well.

Yours sincerely  
Constance L. Churchill
