Dear Mr. Carter:

I would like to express my very real appreciation for your courtesy in having a number of us to dinner at the Fort Worth Club on the occasion of my visit there to the conference of the NASAO.

I have always looked forward to meeting you, appreciating as I do the tremendous amount you have done for civil aviation in general as well as having taken such a leading part in aviation affairs in Fort Worth.

To be among the recipients of a real Fort Worth hat is also a pleasure.

I was greatly impressed by the history of aviation in Fort Worth as you presented it at the dinner and was also pleased to have the opportunity of inspecting the Club which is made so attractive by the pictures you showed us and described.

Kindest regards.

Sincerely yours,
