Dear Mr. Carter:

I would like to take this opportunity to again express my sincere appreciation of your unexcelled hospitality and kindness on my recent visit to Fort Worth with the CAA group. I enjoyed making your acquaintance and enjoyed the entire evening very much indeed.

I am also enjoying the privilege of wearing one of your fine hats, upon which I continue to receive a great number of compliments.

It is my sincere hope that the development of the Midway Airport proceeds with uninterrupted progress and that we will have an early opportunity to enjoy a dedication of its useful accomplishment.

Sincerely yours,
