Mr. Delos W. Rentzel, Chief
Civil Aeronautics Administration
Los Angeles, California

Dear Mr. Rentzel:

Mr. Carter dashed through the office Monday and asked me to have copy of the paper and of the pictures taken while you were in Fort Worth sent to you air mail, special delivery, and I promptly sent them to Washington. Today Mr. Carter has advised me that they should have been sent to Los Angeles. Therefore, this is a duplicate set and perhaps those sent to Washington will eventually catch up with you.

I am sorry for the delay, but it was a misunderstanding on my part.

Yours very truly,

KD:mm

Secretary to A. G. Carter
