Dear Amon:

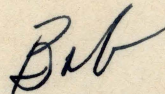

Attached are copies of a questionnaire used in connection with making application for government employees to obtain status of "secret" classification as required under the present security controls.

It is necessary to obtain "secret" classification for you in order that you may be presented with classified material in connection with war-time mobilization of airports at the Airports Advisory Committee Meeting to be held in Fort Worth, Texas, on October 16th.

Please fill out the attached questionnaire in triplicate and return to me via air mail - special delivery - as soon as possible.

Your cooperation in this matter will be appreciated.

Very truly yours,

Robert N. Cook  
Executive Secretary  
Airports Advisory Committee
