Mr. Hervey Law,
Sup't of Airports
The Port of New York Authority
111 - 8th Avenue
New York, New York

Dear Hervey:

I will attend the Airports Advisory Committee Meeting in Wilmington on April 4th, 5th and 6th. Mrs. Huffman will be with me.

Mr. Carter feels that this will be a good time for me to look over your operations at Idlewild.

We will plan to leave Wilmington Saturday morning, probably on American Airlines Trip 326, arriving New York at 1:00 PM, and we have our reservations at the Commodore Hotel.

On this same trip, I am planning to look over some stuff at Buffalo and the concessions layout at Willow Run and some other matters in Chicago.

If it would be convenient with you, I would like to look over your fire fighting equipment and the Willis Rose fueling operations either Saturday afternoon or Sunday, departing New York for Buffalo early Monday morning, April 9th.

If this is not convenient with you, we could remain in New York through Monday and go to Buffalo Tuesday morning.

Please let me know what would be the most convenient for you, and I am looking forward to seeing you at the Airports Advisory Committee Meeting.

Very truly yours,

M. H. HUFFMAN
