Dear Amon:

In compliance with your recommendation for the next meeting of the Airports Advisory Committee in Washington, D. C. in September, approval of the Secretary of Commerce has been obtained for meeting here on September 25, 26, 27 and 28, 1951.

The Administrator will have a number of items for your consideration, including an examination of the programs and plans for the new airport to serve the Washington area and re-examination of our part in the National Defense Program.

Your recommendations for preparation of an agenda and conduct of meeting will be appreciated by the end of July *so that the agenda may be distributed shortly thereafter.*

Please indicate your preference for hotel reservations as early as possible and I will be glad to take care of your wishes.

Very truly yours,
