Dear Mr. Carter:

We are looking forward with a great deal of pleasure to having you here with us at the Airports Advisory Committee Meetings. On the night of the 27th, I am giving a cocktail party and a buffet supper at Moore's Friendship Ranch, and I am especially hoping that you can get here in time to be with us.

Among some of the distinguished guests will be Senator Russell, Congressman Camp, Senator Capehart, Congressman Beckworth, Congressman Rooney - Chairman of Appropriations, Congressman Stefan - Appropriations, Congressman Preston - Appropriations, Mr. Rentzel, Mr. Horne, Mr. Nyrop, Admiral McQuiston, Admiral Cassady, probably Arthur Godfrey, all the Committee Members, their wives, and the Airport Use Panel Members. I thought this would be a good opportunity for you and some of the other members to talk with the members of the Appropriation Committee regarding future appropriations for airports.

If you can possibly arrange to arrive on Trip 44 arriving in Washington at 6:20 P.M., we will have a car at the airport to meet you and take you directly to the party. It will probably break up about 9:30. We can have you checked in at the hotel so there will be no complications from that standpoint.

I have just talked with Maury about the funds for the Fort Worth Airport. Confidentially, the Region recommended only \$50,000. However, I am going over this list very carefully, reducing some other projects in order that we can raise your allocation, so that sufficient funds will be available to continue your building program.

I would appreciate it if you will advise me the exact time of your arrival in Washington on the 27th so we can make all of the arrangements for meeting you.

With kindest personal regards, I am

Sincerely,

Phil
Phillips Moore, Director
Office of Airports
