Mr. Amon G. Carter  
Chairman of the Board  
Fort Worth Star-Telegram  
Fort Worth, Texas

Dear Mr. Carter:

I want to thank you personally as well as on behalf of the Aviation Advisory Committee for your generosity and hospitality extended to us last Friday in the presentation of a famed Shady Oaks Farm hat to each member.

I know that I speak sincerely when I tell you that the members all felt that they were highly honored in having you attend our luncheon and they are looking forward to returning to Fort Worth to view the fueling system in operation at Fort Worth International Airport after it is opened.

My personal thanks to you for high lighting our Texas meetings.

Yours truly,

/s/ E. E. LOTHROP
