Fort Worth, Texas.

My Dear Mr. Carter:

On November Second, you wired me concerning your friend Mr. T. W. Hanlon representing the United States Cast Iron Pipe Company:

I went over this matter with some of the parties at interest and was assured Mr Hanlon and his company would receive careful consideration, however, I now understand the order was placed elsewhere.

I know that Mr Hanlon and his company are well thought of by the purchasers of this pipe, and I regret he was unable to submit a bid that was acceptable.

With kindest personal regards, I am

Very truly yours,

Chas. Ware
